| Ballasts                     | Tablets                      |

## WHERE TO RECYCLE?

Orange County has many recycling centers and there are even more in Los Angeles. Clean out the house this weekend and then drop your stuff off one day after work. It's as easy as that.

Here are a few highly rated centers close to work you can drop your stuff off at in order to ensure it gets recycled or disposed of properly. Some places may even give you some cash!

### *Rainbow (Now Republic) Environmental Services*

17121 Nichols Lane  
 Huntington Beach, CA 92647  
 800-700-8610
